#### CUSTOMER CASE STUDY: Panfoods Co. Ltd.

Panfoods Co. Ltd. is a subsidiary of Cia.Iguaçu, one of the three largest exporters of instant coffee in Brazil. Cia.Iguaçu manufactures and sells instant coffee, roasted ground coffee, coffee oil and extracts, and cappuccino or coffee with milk. They offer products and services based on their resources and synergies whilst pursuing continuous and balanced growth as a company and complying with their social responsibilities. In 1987 Panfoods Co. Ltd. was the first industrial investment in a foreign country. They are responsible for international sales and logistical support to the markets in North America, Europe, the Middle East, Africa, Asia and Oceania.

#### REQUIREMENTS

- More than 1000 incoming invoices per month
- Invoices from Brazil and other countries
- International shipping documents
- All ADR invoices need to have their respective attachments
- Automatic document filing for internal and external auditors based in Japan, Brazil and the UK

#### ADVANTAGES

- Automatic invoice recognition and automatic creation of drafts
- Quick access to archived documents via CKS.DMS Web worldwide
- Fast workflows in accounting departments
- Reduced staff and audit costs
- Faster and more effective approval of ADR invoices as invoices are attached to draft invoices during the process
- Individual development for fast handling of paid invoices

„CKS.DMS helps us to handle thousands of documents per month in the shortest time possible.“\*
